# YOU ARE INCREDIBLE!

## What does HOPE INC do?

We empower, encourage, and equip low-income single parents to obtain a college degree, develop essential life skills, and ultimately become self-sufficient. We do this by providing rent & childcare assistance, financial training, free counseling, social services, and other support services.

## Program This Year

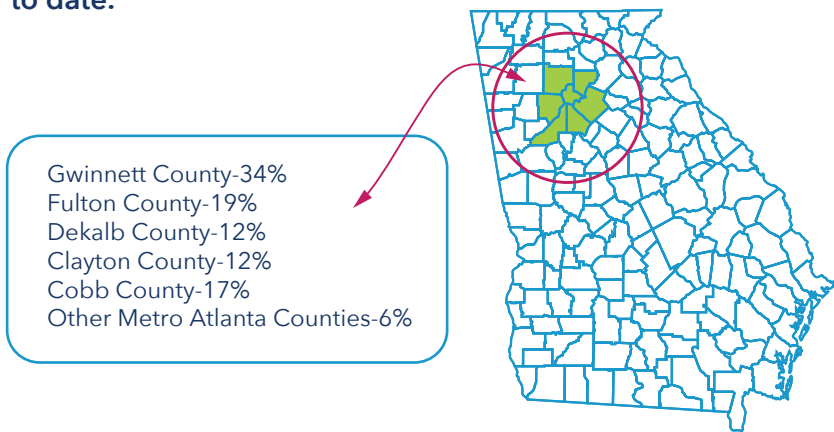

**43** children **24** single parents **6** graduates  
Average size of each household, 2 children.

**100%** of participants are minority  
Average income \$17,622

**33%** first generation college attendees in family  
100% graduate less than six years, maintained average GPA of 3.36.

**70%** AA degree **30%** BA/BS degree

We continue to be impressed by the counties where you impact single parents the most with your contributions as to date.
